

Technical Training Course Data Sheet

Helping Your Business Intelligence Journey

Course: Oracle BI 11g Upgrade and New Features
Duration: 2 days
Delivery: Instructor led with hands on exercises
Attendees: BI Developers and Architects with prior OBI EE 10g experience
Numbers: Up to 15 Delegates per training

Overview: This training provides BI Developers and Architects with essential knowledge and “hands-on” experience with the latest 11g release of Oracle BI Enterprise Edition. On Day 1, Delegates will gain a complete understanding of the new OBI EE 11g installation, architecture and system management functions, with live demonstrations throughout. During Day 2, Delegates will complete a wide range of “hands-on” tutorials that will guide them through the many exciting new features that the product has to offer.
